

*Diddywopps & Keiffers is located in the heart of picturesque Monkton in historic Monkton Hall, where the North Central Railroad Hike and Bike Trail and Monkton Road meet, just steps from the beautiful Gunpowder Falls River. We offer a wide selection of fine American made crafts, from hand-dipped candles to hand-wrought bronze fountains and everything in between! Four jewelry displays dazzle the eye with color, showcasing our large selection of unique jewelry. Our second floor, with its high ceilings, is a perfect place to find an original painting, a special piece of furniture, or a sculpture for your home or office.*

*Diddywopps & Keiffers proudly celebrates the American tradition of fine arts and crafts by representing over 200 artists working in America. We exclusively represent the acclaimed collection of paintings by the late Leonard Dickey.*
